

Healthcare Consulting Services

ReefPoint Group dares to imagine a world where healthcare is a seamless, integrated part of all people's daily lives. A place where patient care is proactive and personalized, and where clinicians, public programs and patients can work in harmony with technology to achieve integrated care delivery. We work cross the health ecosystem everyday to make this a reality for the military, Veterans and their families.

OUR SERVICES INCLUDE

Our focus is in the betterment of our clients because improvements in healthcare directly save lives. Our evidence-based approach works to identify opportunities to advance quality patient outcomes across the care continuum.

Our team has a deep understanding of healthcare regulations, care models, clinical best practice and infrastructure to support your program.

Care quality

Access and coordination

Patient experience

Facilities planning

Public health

Operations and logistics

We create lasting impact for our clients

- 27% increase in access to Veteran programs
- 30% increase in clinical capacity
- Up to 87% reduction in patient wait times
- 46% reduction in fraud, waste and abuse (FWA)
- Strategic support for multiple \$1B+ portfolios

OUR APPROACH

Improving military and Veteran lives through optimized care and benefits programs.

We couple our clinical knowledge and expertise with our technology and data science acumen to create meaningful, lasting change that radically improves healthcare.

For each healthcare consulting offering, ReefPoint Group offers comprehensive delivery frameworks to organize efforts and accelerate the rate of change. Our management consulting team works to ensure a seamless implementation of our solutions into your organization, with a collaborative approach throughout the project.

PROGRAM MANAGEMENT

Our program management approach was developed alongside world-class mentor organizations and best in class methodologies. Our services include:

- Program standup and execution
- Strategy and decision frameworks
- Change management and training

PERFORMANCE IMPROVEMENT

ReefPoint Group leverages systems engineering and High Reliability (HRO) principles to create a culture of continuous improvement for our clients.

- Program assessments and monitoring
- Process improvement and workflow design
- Metric definition and KPI mapping

Founded by veterans.
